Normal language development

Chapter 1	Language and the brain: the contributions of Elisabeth Bates <i>Frederic Dick</i>	3
Chapter 2	Early language acquisition: typical and atypical processes <i>Maria Cristina Caselli, Silvia Stefanini</i>	15
Chapter 3	The development of grammar <i>Antonella Devescovi, Daniela Marchione</i>	27
Chapter 4	Pragmatic development <i>Loredana Hvastja-Stefani</i>	39

Language and neurofunctional correlates

Chapter 5	Auditory comprehension of language in young children <i>Madison M. Berl, Erin N. Moore, Chandan Vaidya, Gerard A. Gioia, Bernstein Ratner, William Davis Gaillard</i>	51
Chapter 6	The language production-comprehension network in functional imaging <i>Stefan Heim</i>	61
Chapter 7	Developmental changes in human cerebral functional organization for word generation <i>Timothy T. Brown, Heather M. Lugar, Rebecca S. Coalson, Fran M. Miezin, Steven E. Petersen, Bradley L. Schlaggar</i>	77
Chapter 8	Functional magnetic resonance imaging in normal and pathological language development <i>William D. Gaillard, Erin N. Moore, Deborah A. Weber, Eva K. Ritzl, Madison M. Berl</i>	105

Language in congenital and acquired brain lesions/maldevelopment

Chapter 9	Language and its development in the autism spectrum disorders <i>Isabelle Rapin</i>	121
-----------	--	-----

Chapter 10	Language regression in autism: pathogenesis and differential diagnosis <i>Baris Korkmaz</i>	139
Chapter 11	Language disorders in cerebellar pathology <i>Daria Riva, Chiara Vago, Federica Aggio, Chiara Pantaleoni, Stefano D'Arrigo, Arianna Usilla, Sara Bulgheroni</i>	157
Chapter 12	Cortical specialization for language in childhood: evidence from negative cases <i>Isabel Pavão Martins</i>	169
Chapter 13	Language in Italian children with Williams syndrome <i>Virginia Volterra, Olga Capirci, Arianna Bello</i>	183
Chapter 14	Verbal and non-verbal communication disorders in children with bilateral perisylvian polymicrogyria <i>Veronica Saletti, Sara Bulgheroni, Daria Riva</i>	195
Developmental language disorders (DLD)		
Chapter 15	Specific language impairment: definition and diagnostic criteria <i>Giovanna Zardini</i>	207
Chapter 16	Developmental language delay in early childhood: differential diagnosis between specific language delay and language delay secondary to other communication disorders <i>Bruno Molteni, Gloria Airaghi, Giulia Mantegazza, Daniela Sarti</i>	217
Chapter 17	The natural history of early language delay: from late talking to specific language impairment <i>Anna Maria Chilosi, Paola Cipriani, Lucia Pfanner, Chiara Pecini, Tiziana Fapore</i>	229
Chapter 18	A follow-up study of reading and writing in Italian children with specific language impairment <i>Daniela Brizzolara, Claudia Casalini, Filippo Gasperini, Silvia Roncoli, Sara Mazzotti, Paola Cipriani, Anna Maria Chilosi</i>	239
Chapter 19	The relationship between developmental language disorders and behavioural disorders <i>Charles Njokiktjien</i>	253
